Dear Sir:

REQUEST FOR REFUND

Applicant requests a refund of the \$1,620.00 for a Petition to Revive. Applicant has talked with the Examiner and the case was not abandoned. As can also be seen in PAIR, this case was never abandoned.

At the time we filed the brief, we did not know whether the case would be considered abandoned or not, so we authorized a charge for a revival if necessary. Since the case was not abandoned, the Examiner did not treat our Appeal Brief as a petition to revive, but we did get charged the revival fee. Please refund the Petition to Revive fee (\$1,620.00) to Deposit Account No. 50-1482 in the name of Carlson, Gaskey & Olds.

Respectfully submitted,

Dated: June 30, 2010
